To Whom it may Concern:

It's my pleasure to write this letter of recommendation for Michelle Botha. I have worked with Michelle for over 6 years. This includes my time at Superior Choices as a Senior Project Manager and my current role with Jaguar Land Rover.

Michelle has been involved with many projects of mine throughout the years and has also shown a great aptitude to delivering expectation levels of dedication and results. She has had to work with clients from all over the SSA region which can prove challenging at times, taking into account the different requirements from each country. Michelle has also delivered what was requested with patience and experience.

I have all faith in Michelle with her future endeavours and I am sure she will be a valuable assets to any company she joins.

Please do not hesitate to contact me for any questions.
